

Dear Huron Valley Community Theatre Members,

In an effort to keep everyone safe, our general membership meeting will take place as a virtual meeting this year on Thursday, September 10, 2020 at 7 p.m. That means that **the** election for Huron Valley Community Theater board member positions and committee leads will also be a little different this year. In keeping with our bi-laws, we will be voting on half of our board positions at our general membership meeting in September. This year the nominating committee will be accepting nominations for President, Treasurer, Historian, and 3 Members at Large. Each position is a 2 year term.

If you are interested in nominating yourself or a friend for one of the open positions, please email Julie Capra at [juliecapra@comcast.net](mailto:juliecapra@comcast.net) no later than September 1st. Anyone who receives a nomination will be contacted by one of the members of the nominating committee to confirm they will accept the nomination and are interested in being placed on the ballot. The nominating committee is also available any time prior to our general meeting to answer any questions you may have regarding HVCT and the open board or committee positions. If you are unsure of the responsibilities or are just curious about any of the board or committee positions, please contact us. Whether you are new to our theater community, or have been around for years, we think it is a lot of fun and encourage you to get involved.

If you have a particular interest or area of expertise and are willing to share your talents with HVCT, let us know. Although our season has been placed on hold due to health and safety concerns, we do hope to be producing some amazing shows, camps, and clinics again soon and would love to have your help to be up and running again as soon as possible.

Although board members and committee leads provide support to various HVCT endeavors throughout the year, directors of each individual production are responsible for assembling their own creative team. Thus, if you're interested in selling ads, set building, styling hair, applying makeup, staying organized, writing promotions, designing sets, "herding cats," making styrofoam food, directing, producing, sewing, or helping in the technical world then please let us know! We will do our best to find a committee or show production that could benefit from your help!

We have included a current list of the HVCT Board and noted those positions that will be up for election in September, so you can see who you would be serving with.
